The First Fifteen

“Critical Incident Response for Field Officers” is an 8-hour course designed to provide first responding law enforcement officers with a fundamental plan that can be applied to a wide variety of critical events.

This course is designed to give all responding personnel, regardless of their rank or agency, the ability to work together during large-scale emergency events. Students will be introduced to a “*4-step critical incident response plan*” that has been successfully implemented in hundreds of criminal, man-made and natural disasters throughout the United States. The course examines the most common failures in critical incident response and provides a proven methodology to quickly stabilize and organize these events.
