LOOKING BEYOND THE CALL: ADVANCED THREAT ASSESSMENT FOR PATROL OFFICERS

COURSE DESCRIPTION

This eight-hour course is specifically designed to equip law enforcement patrol staff and other field investigators such as detectives to look beyond the call and take the necessary steps to prevent acts of mass killings.

Attendees will be trained to use a structured checklist at calls for service that will provide them a tool to assess more than just a whether there is a crime or mental health crisis, but additional risk factors such as access to weapons, social media, fixation and focus, grievance collection, cognitive openings, verbal and written threats, conduct at work/school and with friends and family, and alcohol and drug abuse.

This course is not limited to juvenile offenders, but rather a broad focus to assist on calls where there is an elevated risk for a potential mass causality incident.
