## Internal Affairs Investigation (Basic)

**24 hours | Three days | Tuition \$375 – POST Plan IV  
STC Certified – Tuition \$375**

**Description:** This 3-day course is designed to give the investigator or supervisor who has been assigned to Internal Affairs duties a comprehensive overview of the organization and design of Internal Affairs investigations. This course should be attended by anyone supervising Internal Affairs investigations or assigned, whether full-time or occasionally, to conduct the investigations of complaints of misconduct. Procedural and legal mandates for such investigations make this course a must for all first line supervisors!

This course was developed and is taught by highly trained, experienced Internal Affairs investigators and Internal Affairs unit commanders. A practitioners approach is taken in delivering this curriculum in a clear, reality-based manner.

**Topics:** Role and Purpose of Internal Affairs // Examining Conduct // Defining Discipline // Risk & Liability Assessment // Resources for the IA Investigator // The Peace Officers Bill Of Rights // Due Process and Department Labor Agreements // Investigative Plans // Investigation Components // Producing Complete Investigations // Interviews: Complainants, Witnesses, and Employees // Planning and Controlling the Interrogation // Related Legal Issues: Pitchess, Skelley, etc.

A practical exercise will be conducted on Day Three. The students will have the opportunity to utilize the course material during a simulated Internal Affairs investigation that includes a live interrogation of a subject employee.
